With Cart (M1105)

\$1,349

The Softball Pitching Machine has established itself as the most popular and widely used softball pitching machine in the world.

GET THE MOST OUT OF YOUR JUGS MACHINE

For PRACTICE PLANS and DRILLS featuring the JUGS Softball Pitching Machine, please email Becky at: beckyr@jkpsports.com

The two keys to the JUGS Softball Machine, in my opinion, is the machine's on-the-money precision, and its durability. We've used the JUGS for eight years, and I expect this machine will easily last us another eight.

*Celeste Knerim,
Head Softball Coach,
St. Louis CC/Meramec Hall of Fame*

The JUGS Softball Pitching Machine throws **FASTBALLS, RISERS and DROPS** for fastpitch teams, and **PERFECT ARCING TOSSES** for slowpitch teams and also gives you these quality features:

- Digital readout display. Set your JUGS Softball Machine to throw the exact mph you desire. You decide what precise speed is best for your players.
- Portable and easy to move and set up. Weighs just 75 lbs.
- Patented "always see the ball"[™] delivery system.
- Realistic underhand delivery.
- **DEFENSIVE DRILLS:** Swivel-design base provides 360° movement for fly balls, pop-ups and ground balls.
- Throws 11" or 12" softballs, *Sting-Free*[®] softballs, JUGS *Lite-Flite*[®] softballs, JUGS **SOFTIE**[®] softballs and the JUGS **BULLDOG**[™].
